**Summary of reasons for decision:**

The main component of the DVD is a feature that has previously been examined and classified as a film (OFLC Ref. 1200691.000). The film was classified as unrestricted M, with the descriptive note "Violence, sexual references, and offensive language". The decision was registered on 6 August 2012. The only extra material on the DVD is a lengthy behind-the-scenes component, the content of which does not require a change to the classification of the original film.
